

Sonning Common Pre-school

3.2 First aid

Policy statement

In our setting, staff are able to take action to apply first aid treatment in the event of an accident involving a child or adult. At least one member of staff with a current first aid certificate is on the premises, or on an outing at any one time. Newly qualified staff who achieved an early years qualification at level 2 or 3 on or after 30 June 2016 also have a paediatric first aid certificate in order to be counted in the adult: child ratios. The first aid qualification includes first aid training for infants and young children. We have evidence of due diligence when choosing first aid training and ensure that it is relevant to staff caring for young children.

Procedures

The first aid kit

Our first aid kit is accessible at all times, complies with the Health and Safety (First Aid) Regulations 1981

and contains the following items:

- Triangular bandages (ideally at least one should be sterile) x 4.
- Sterile dressings:
 - Small x 3.
 - Medium x 3.
 - Large x 3.
- Composite pack containing 20 assorted (individually-wrapped) plasters x 1.
- Sterile eye pads (with bandage or attachment) e.g. No 16 dressing x 2.
- Container of 6 safety pins x 1.
- Guidance card as recommended by HSE x 1.

Sonning Common Pre-school

In addition to the first aid equipment, each box should be supplied with:

- 2 pairs of disposable plastic (PVC or vinyl) gloves.
- 1 plastic disposable apron.
- A children's forehead 'strip' thermometer.
- A supply of ice is kept in the freezer.
- A cool pack is kept in the fridge and first aid cupboard.
- Information about who has completed first aid training and the location of the first aid box is provided to all staff and volunteers.
- The first aid box is easily accessible to adults and is kept out of the reach of children.
- There is a named person in the setting who is responsible for checking and replenishing the first aid box contents.
- In the case of a minor injuries or accidents, parents will be informed when they collect their child, unless the child is unduly upset or there are concerns about the injury. In which case the child's parents will be contacted for clarification of what they would like to do, i.e. whether they wish to collect the child and/or take them to their own GP.
- An ambulance is called for children requiring emergency treatment. Parents will be contacted immediately and informed of what has happened and where their child has been taken.
- The first aid box is easily accessible to adults and is kept out of the reach of children.
- No un-prescribed medication is given to children, parents or staff.
- At the time of each child's admission to the setting, parents' written permission for obtaining emergency medical advice or treatment is sought. Parents sign and date their written approval.
- Parents sign a consent form at registration allowing staff to take their child to the nearest Accident and Emergency unit to be examined, treated or admitted as necessary on the understanding that parents have been informed and are on their way to the hospital.

Sonning Common Pre-school

- Accidents and injuries are recorded in the accident record book and, where applicable, notified to the Health and Safety Executive, Ofsted and/or local child protection agencies in line with our Recording and Reporting of Accident and Incidents Policy.

Legal framework

- Health and Safety (First Aid) Regulations (1981)
